Part 2: Add the embed code to your blog post (or page)

1 Open your blog post (or page)

Go to your blog dashboard and open the post you're working on. Or, go to **Posts** > **Add New**.

2 Add Media

Place your cursor where you want the Google Drawing to appear and then click on the **Add Media** button.

- Insert Embed Code
 - In the Add Media window, click on the Insert Embed Code tab on the left.
 - Paste the embed code into the Insert Embed code box (Control/Command V). Press Insert Into Post.

4 Publish

When you've finished writing your post, click **Publish**. You should now see your embedded Google Drawing when you view the published post. You can also preview your post before publishing to see what it will look like.
